Drinkware 2010

RRG Company Information & Customers

Company Information

- Established in 1998, RRG has risen to become the leaders in innovative product design in the travel drinkware industry
- RRG holds multiple Patented exclusive designs
- Four Domestic Warehouses and Assembly Facilities located in, Los Angeles, Atlanta, Pittsburgh, and Cleveland
- RRG offers domestic inventory to support establishing buying programs, as well as direct import FOB China purchasing options.
- Domestic custom imprinting
- Web based custom franchisee ordering system
- Options for floor or shelf display packaging

Customers

Retail Resource Group's Customers include Mass Market Retailers, Drug Chains, Supermarkets, and the largest Specialty Coffee Retailers in the industry. Below are examples of some of our current partners/customers.

RRG Brands

RRG has developed retail brands designed to help consumers identify product lines, key features, and technologies.

Product Lines

Savor

Our Savor Premium Drinkware brand offers exceptional quality and style at an outstanding price. Products sold under the Savor brand are designed for hot or cold beverage use including:

- Vacuum Insulated Travel Mugs / Tumblers
- Stainless Steel Travel Mugs / Tumblers
- Acrylic Travel Mugs / Tumblers
- Insulated Beverage Containers
- Ceramic Travel Mugs / Tumblers

Quench

Our Quench Hydration Products brand offers unique features and styles. Products sold under the Quench brand are exclusively for cold beverage use including:

- Vacuum Insulated Stainless Steel Bottles
- Single Wall Stainless Steel Bottles
- BPA Free Plastic Bottles

Features & Technologies

ThermoPerfect

The ThermoPerfect brand encompasses our vacuum insulation technology providing maximum insulation for hot or cold beverages.

OneTouch

Our OneTouch lid system offers unique features including a convenient one handed operation and a spill proof seal.

Click 2 Sip

Click 2 Sip is a simple, easy to use splash proof lid closure system designed for both hot and cold beverage containers.

Flip 2 Sip

Flip 2 Sip is a patented one button flip open splash proof lid design for cold beverages that offers convenient use and spill resistant operation.

Retail Resource Group's graphic department is continually creating new trend based artwork for imprinting onto the "Coffee Shop" tumblers as pictured, as well as a wide variety of our other products. Artwork can be offered and created as custom "exclusive" offerings to our customers upon request. All inks used to decorate our products are FDA approved, food safe and are compliant with California Prop 65 regulations.
